

PFAFF CLUB 2017

Learn how to get the most from your PFAFF sewing machine

OATLEY COTTAGE PFAFF CLUB is our creative sewing club especially for those who own a PFAFF sewing machine. This will give you a hands-on opportunity to continue to learn new techniques and sewing skills thus utilising your PFAFF sewing machine to its fullest.

Each month you will learn to master a wide variety of sewing skills for general sewing and decorative machine stitching. You will learn the techniques required for soft furnishing, dressmaking, fashion bags, doll making, machine embroidery, appliqué etc. You will be able to see the latest notions and accessories to help make your sewing faster, easier and more fun.

Each month you will be sewing a variety of different techniques and projects designed for the specific types of Pfaff sewing machines to allow you to develop your creative sewing skills. You will work on a variety of projects from dressmaking, home décor, machine embroidery, soft toys, bags and more throughout the year.

Other benefits include 10% discount on all PFAFF accessories and special offers.
